

# Hatton (Cruden) Snow Day Activities

## P2/3 Class

Here are some suggested activities to do whilst you are at home during any snow days this session. You do not have to complete all the activities each day. Please share any activities when you are back in school.

Build a snowman and measure it using your hands or natural objects (sticks, pinecones etc).	Write your name, sounds, letters, spelling words and numbers in the snow.	If the weather gets really cold, go outside and blow some bubbles as high up as you can. Watch what happens to them.	Practice your handwriting.
Play counting on games such as Snakes and Ladders.	Create a new cover for your reading book. Don't forget to include the name of the author, illustrator and write a blurb for the back cover.	Continue with any spelling, reading or learning task homework for the week/term.	Practise your rapid recall of number facts such as doubles, halves and times tables.
Revisit the pairs of numbers to make 10, 100 and 20. How fast can you recall the facts?	Log onto your Sumdog account and practise your maths skills.	Keep fit by doing Cosmic Yoga. You can access this here: <a href="http://www.cosmickids.com">http://www.cosmickids.com</a>	Help with chores around the house (e.g. make your bed).
