

Hatton (Cruden) Snow Day Activities

P7 Class

Here are some suggested activities to do whilst you are at home during any snow days this session. You do not have to complete all the activities each day. Please share any activities when you are back in school.

Take a snowball inside and place in a bowl/basin. Time how long it takes for the snowball to melt.	Create a snow sculpture. Take a photograph or draw a picture of it to share with the class.	Look out of your window and create a detailed drawing of what you see.	How many words can you make from the letters in WINTER WONDERLAND?
Write a diary entry about your day off school. Focus on your personal feelings.	Find a healthy recipe (eg soup) and make it. Write out your own set of instructions.	You have a budget of £100 to spend on a party for 10 people. Using a supermarket website to help you plan what you would buy and how much it would cost. Everyone needs something to eat and drink.	Research snowflakes and present your findings.
Make your own hot chocolate.	Create an A to Z of cold, snow and ice. Find one word for each letter of the alphabet. Use a dictionary or thesaurus to help.
